

March 1,2012

Dear Friends of the Festival at Mt. Si,

The North Bend Educational and Cultural Association (NBECA) is the non-profit (501 C3) organization that plans and supports the Festival at Mt. Si and provides additional support for other valley events like the NB Block Party.

We are hard at work planning the 2012 Festival at Mt. Si scheduled for August 10 – 12 in North Bend, Washington. The festival will be held at Si View Park again this year, even though we will be challenged with the construction project that will ultimately be a wonderful upgrade to our favorite park. We plan to offer our timeless favorites and add new and fun events as opportunities arise.

Needless to say, it takes a lot of volunteers and funding to put on a festival like the one we have in North Bend. We want to share with you how you can be a part of the Festival at Mt. Si. Financial donations in any amount are welcome as are donations for the Silent Auction. Our website details the various sponsorship Levels available for businesses and individuals to provide financial support to the Festival at Mt. Si. Please take a look.

Financial support is not the only way that you can contribute to our community festival. As always, it's a challenge to bring together enough volunteers to stage an event that appeals to such a diverse local and regional audience. Volunteer opportunities of all shapes and sizes are available. Please consider sharing your ideas and energies with the festival committee by sending a representative to the planning meetings typically held on the Tuesdays at 7:00 p.m. Visit www.festivalatmtsi.org or call Dr. Jill at Straight Chiropractic,(425 888-4170), for information on the next meeting date, time, and location. Or, simply help out the weekend of the event by volunteering for one or more four hour shifts.

Our official mission statement is to promote the spirit of North Bend's small town community by providing educational and cultural programs that will preserve the past, celebrate the present, and embrace the future. This can only be reached through tapping into the ideas and resources of our very special community.

Please take a moment to reflect on how you can best support the Festival at Mt Si and let us know. We would love to count on your support. Please give us a few minutes of your time and discuss how you can participate this year!

Thank you for your consideration,

Pam and Jill
