Give us some interesting details regarding your entry. This is what will be read from the judging stand by the parade announcer as your group is passing.

**Give us some main points that are most important to you.
Then you can give some extras that the MC can read if there is a lull in the parade.**

The best way to send this info is to type it into an email so it can be printed out for the MC without us having to re-type it.

We must have a signed application on file. If you have a scanner, you can scan it and email it. The best way to send your announcement info is to type in a separate email – that way we can print it out for the MC to read without having to retype it.
